LITTLE JELLYCAT SAFETY

We hope you already know that we make the most original, quirky, innovative soft toy designs in the world, but we also want you to know that we take the greatest care possible to make sure you remain safe with the animals. Every soft toy design you see in this catalogue is rigorously tested to EN71 parts 1, 2 & 3. This means that unless a separate warning hang tag is attached to the item, it is suitable for all children, aged 0-99... or over! All our animals have willingly participated in this challenge and bear the CE mark as proof of their success in these tests. We hold their certificates here in our office if ever you need copies of them. We also create lifestyle products, inspired by our soft toy designs, some of which are not to be considered as toys. Specific safety recommendations for these designs can be found on individual labels attached where necessary. We tame our animals with careful training and testing, our non-soft toy designs are subject to thorough due diligence. If you ever have any problems with their behaviour we want to know as a matter of urgency, so we can revise our methods of construction or upbringings!

NORME DE SECURITE

Si nous savons que vous considérez nos peluches comme parmi les plus originales, décalées et innovantes, nous voulons aussi que vous sachiez combien nous apportons de soin à leur fabrication. Chaque produit présenté dans le catalogue respecte rigoureusement la réglementation EN71 (parties 1, 2 & 3). A moins d'un avis contraire (spécifié sur une étiquette en carton accolée sur le produit), cela signifie que les produits présentés conviennent à tous les enfants, âgés de 0-99 ans. voir plus ! Toutes nos peluches ont passées avec succès les tests correspondant aux normes européennes et portent la mention CE. Nous tenons les certificats à votre disposition. Nous créons également des articles pour la vie de tous les jours inspirés de nos modèles de peluches, dont certains ne doivent pas être considérés comme des jouets. Les recommandations de sécurité spécifiques pour ces designs peuvent être trouvées si nécessaire sur les étiquettes individuelles attachées. Nous apprivoisons nos animaux avec un entraînement et des tests minutieux; nos et nos designs non-souples sont soumis à des contrôles méticuleux. Si jamais vous avez des difficultés avec leur comportement, nous souhaitons le savoir de toute urgence afin que nous puissions réviser nos méthodes de construction ou d'éducation!

SICHERHEITSTANDARD

Hoffentlich wissen Sie schon, dass wir die aussergewöhnlichsten Tiere der Welt entwerfen. Wir möchten Ihnen aber auch versichern, dass wir uns um Ihre Sicherheit kümmern. Jedes Plüschtier in diesem Katalog entspricht der Europäischen Norm EN71 (Teile 1, 2 & 3). Sofern nicht anders auf einem separaten Etikett bestimmt, sind die Artikel für alle im Alter von 0 bis 99 (oder noch älter) geeignet. Alle Plüschtiere sind getestet und mit dem CE-Zeichen ausgezeichnet zum Beweis vom Erfolg. Falls Sie eine Kopie bräuchten, haben wir die Zertifikate im Büro. Dazu haben wir Lifestyle-Produkte in der Kollektion, die von unseren Plüschtieren inspiriert werden, von denen einige nicht als Spielzeug anzusehen sind. Die spezifischen Sicherheitsempfehlungen für diese Lifestyle-Produkte sind nach Bedarf auf dem Etikett zu finden. Für diese Produkte führen wir angemessene Sorgfalt durch. Falls Sie Problem mit den Tieren haben, bitte wenden Sie sich jederzeit an uns, damit wir das Produktionsverfahren überprüfen können.

ISTRUZIONI SICUREZZA

Speriamo che già sappiate che produciamo le più originali, eccentriche ed innovative creazioni di tutto il mondo e che mettiamo la massima cura possibile affinché possiate stare tranquilli con i nostri animali. Ogni modello di peluche di questo catalogo è testato rigorosamente secondo la normativa EN71, part 1, 2 e 3. Questo significa che tutti gli articoli privi di etichetta di avvertenza sono sicuri per tutti i bambini da 0 a 99 anni, ed oltre! Tutti i nostri animali hanno partecipato di loro spontanea volontà a questa sfida e mostrano il marchio CE come prova del loro successo in questi test. Teniamo i loro certificati nei nostri uffici nel caso ve ne servisse una copia. Creiamo inoltre prodotti lifestyle, ispirati ai nostri modelli di peluche e alcuni di questi possono quindi non essere considerati dei giocattoli. Specifiche raccomandazioni di sicurezza per questi modelli possono essere trovate sulle etichette individuali attaccate dove necessario. Addomesticiamo i nostri animali con accurati addestramenti e prove; i nostri modelli non di peluche sono soggetti a controlli scrupolosi. Se dovete avere dei problemi con il loro comportamenti desideriamo saperlo con urgenza per rivedere i nostri metodi di costruzione ed educazione!

SEGURIDAD

Esperamos que ya sepa que creamos unos diseños originales, innovadores y a veces estrafalarios, pero también tenemos mucho cuidado en asegurar que todos nuestros animales sean seguros. Cada peluche que ve en el catálogo está testado rigurosamente para las pruebas EN71 partes 1, 2 & 3. Esto quiere decir que, a no ser que se indique lo contrario en la etiqueta, los productos son aptos para todas las edades, de 0-99 años...o más. Todos nuestros animales han participado en este desafío, y tienen la marca CE que demuestra su éxito en completar las pruebas. Tenemos los certificados de cada uno de ellos en nuestro despacho y podemos enviarte copias siempre que lo necesites. También creamos artículos de moda, con la inspiración de nuestros peluches, algunos de los cuales no son considerados como peluches. Recomendaciones de seguridad específicas para estos artículos se encuentran en las etiquetas individuales, adjuntas a los artículos, si resulta necesario. Domesticamos a nuestros animales con entrenamientos y pruebas delicadas. Nuestros artículos que no son peluches son evaluados con la debida diligencia. Si tiene algún problema con su comportamiento por favor infórmenos urgentemente y revisaremos nuestros métodos de construcción y educación!

LITTLE JELLYCAT DESIGN

Designing new and innovative products is what we love doing the most and we hope you enjoy them too! Each soft toy we create is developed in-house, in London, to reflect the Jellycat style and many of our individual designs are registered to ensure that they keep their uniqueness. In addition, we also have a policy of protecting our designs, which can include using legal means, if we feel it necessary. By looking out for our animals and their individuality, we hope this will be a benefit to all.

DESIGN

Concevoir de nouveaux designs innovateurs est ce que nous aimons faire le plus, et nous espérons que vous les aimez aussi! Chaque nouvelle peluche que nous créons est élaborée en interne dans nos locaux de Londres afin de refléter au maximum le style Jellycat; ainsi, plusieurs de nos modèles sont déposés dans le but de garantir leur caractère unique. Afin de protéger nos designs, nous avons une politique qui peut comprendre l'emploi de moyens légaux si nous le jugeons nécessaire. Nous espérons que la protection de nos animaux et de leur individualité pourra être bénéfique pour tout le monde.

DESIGN

Die Entwicklung neuer und innovativer Produkte lieben wir am besten, und wir hoffen, die gefallen Ihnen auch! Jedes Plüschtier wird im Haus in London entwickelt, um den Jellycat-Stil widerzuspiegeln. Viele unserer individuellen Entwürfe sind eingetragenen, um sicherzustellen, dass sie ihre Einzigartigkeit behalten. Darüber hinaus haben wir eine Politik, unseren Designs zu schützen, auch mit Rechtsmitteln wenn wir es für notwendig halten. Wir hoffen, dass den Schutz unserer Tierchen und ihrer Individualität für alle günstig wäre.

LITTLE JELLYCAT INTERNET SALES

Websites now have an increased relevance for everyone in retail. To help safeguard the quirky cool, luxury loveliness of our designs we will not be supplying any customer with Jellycat products listed on any 3rd party websites. However, if you have a bricks & mortar shop with your own URL we will be very happy to help with any information or images needed to feature Jellycat. We just ask that the retail price is respected and any safety recommendations are clearly visible as per the European Safety Directive updated in July 2011 (please ask for further information if you are unsure of what this is.)

Les boutiques en ligne ont de plus en plus d'importance pour ceux qui travaillent dans le monde de commerce. Websites haben heutzutage immer mehr Einfluss auf den Einzelhandel. Um unsere schönen Designs zu schützen, werden wir keine Kunden beliefern, die Jellycat Produkte über Dritte weiterverkaufen möchten.
